Empower yourself and your financial future: first steps to becoming an investor

We want to strengthen financial education and private wealth accumulation in Germany in the long term.

Whether school classes, students, career starters or experienced investors – we offer a target group-specific program for everyone. What are stocks, how are ETFs and indices related and how do I open a securities account? Take advantage of our daily free financial education workshops and experience the last active trading floor in Europe.

What you can look forward to:

- Interactive exhibition
- Free teaching material
- Free lectures
- Experience stock market trading live

Our lecture programme:

- introductory lecture
- DAX lecture
- ETF lecture
- IPO lecture
- History of the Frankfurt Stock Exchange
- introduction to cryptocurrencies
